Items warranting special mention	Classification		Number of people		Others	Classification		Situation	
	Single-parent household		* (a) Applicable or (b) Inapplicable			Number of elementary and junior high school students		Elementary school student: persons Junior high school student: persons	
	Those with disabilities		persons			Housing condition (for rented housing only)		* (a) Rented house; (b) Rented room; or (c) Leased land Monthly rent: yen	
	Number of children under 15 years of age		persons						
Instructions 1. For columns marked *, circle the item that applies. 2. Write down your household situation when filing this application. 3. In the column with the heading "Current working and schooling situation," write "working" if the relevant member is working and "not working" if he/she is not working; and if the relevant member is attending school, write the classification of the school such as kindergarten, elementary school, junior high school, university, etc., which he/she attends, provided, however, that for the applicant himself or herself or any other member of the household who is a senior high school student, specify the name of the school in which he/she is enrolled (as with XXXX Senior High School). 4. In the columns with the heading of "Income," state in figures the relevant income earned by the relevant person in the year immediately preceding the year in which the application is to be made. 5. If the household is composed of nine (9) or more persons and is too large to fit in this form, use more than one sheet, with only the overflowing portion carried over to the second and subsequent sheets. 6. Any document used herein shall be of A-4 size as per Japanese Industrial Standards.
